Re: Revised Placement Scores for Writing classes

In response to recent and forthcoming revisions to national tests, faculty propose the following changes to UAA's minimum placement scores, effective Fall 2018:

	Accuplacer Next Generation	ACT English	SAT Evidence-Based Reading and Writing
Writing 090	Writing: 235 Reading: 35	N/A	N/A
Writing 110	Writing: 250 Reading: 50	18	450
Writing 111	Writing: 255 Reading: 65	22	560
Writing 211 Writing 212 Writing 213 Writing 214	N/A	30	610

Additionally, since English placement scores don't expire, UAA should continue to honor our current "Accuplacer Class" scores. Both sets of accuplacer scores, new and old, are aligned statewide, per Board of Regents policy.
