

Date: March 9, 2020

To: Cathy Sandeen, Chancellor

From: John S. Stalvey, Interim Provost *John S. Stalvey*

Cc: Jeff Jesse, Dean of the College of Health Professions
Sandra Pence, Committee Chair
Lita Prestera, Associate Professor of Medical Imaging Science
Susan Kalina, Vice Provost for Academic Affairs
Claudia Lamppan, Vice Provost for Student Success

Re: AY20 Expedited Program Review

I have reviewed the dean's findings and the completed Expedited Program Pharmacy Technology OEC. The Provost's Office will receive a report from the program.

Recommendation

My recommendation is to **not** continue the program. In addition, accepting the OEC recommendations of the dean, the program does not have the resources to exist at this time. The next program review will be in 2021.

Decision

Recommend Continuation
