3. Describe your assessment process for these program student learning outcomes, including the collection of data, analysis of data, and faculty (and other, e.g., advisory board) conversations around the findings. (750 characters or less)

Sept 2020 faculty who courses were being assessed completed a declaration form. Faculty documented the assignment and artifact for the SLO

May 2021- Faculty were contacted to request

5. Based on the findings, did the faculty make any recommendations for changes to improve student achievement of the program student learning outcomes? Please describe the recommended action, what improvement in student learning the program hopes to see with this change, proposed timeline, and how the program will know if the change has worked. If no recommendations for changes were made, please explain that decision. (750 Characters or less)

	end-of-term freeze files. Disaggregate as per accreditation	and the allocation of resources to programs and services designed to mitigate gaps in achievement and equity.

9. Do you have any examples of postgraduate success you want to highlight? For example, major scholarships, the percent of students who pass licensure examinations, the percent of students accepted to graduate programs, the percent in post-graduation employment in the field or a related field. (750 characters or less)

We do not have a database to connect with our students after they graduate, we rely on relationships. Perhaps JAA can allocate resources for more meaningful post-graduation interactions.
